

HAROON SHARIF

Mumbai, India – 400051 | +91 8291502617 | haroonsharif171@gmail.com

PROFESSIONAL SUMMARY

Innovative .NET Developer with a focus on backend systems and security implementation. Skilled in creating scalable applications and enhancing user experiences through effective API integration and frontend technologies.

CORE COMPETENCIES

- Programming Languages & Frameworks: C#, Core Java, Python, .NET Framework, .NET Core
- Web Development Technologies: ASP.NET, ASP.NET Core, ASP.NET MVC, ASP.NET Web API, ASP.NET Razor, React.js, Next.js, jQuery
- Database Technologies: Microsoft SQL Server, MySQL, Stored Procedures, ADO.NET, Entity Framework, Data Integration, Data Integrity
- API Development & Testing: REST APIs, Web Services API, Swagger API, Postman, JSON
- Security & Authentication: JWT Authentication, Secure Authentication, Client Key Authentication, Authorization, Role-Based Access Control, AES Encryption, HMAC, SHA256
- Frontend & UI Development: React Hooks, Data Binding, HTML/CSS, Responsive UI Development
- Server & Deployment: Internet Information Services (IIS), IIS App Pool, Server Configuration
- Development Tools & Practices: Visual Studio, Git (Version Control), SDLC, Agile Methodology
- Architecture & Design Patterns: Middleware Development, Session Management, Repository Pattern, Dependency Injection, Layered Architecture
- Additional Competencies: System Menu Permissions, Problem Solving, Analytical Skills, Prompt Engineering, Code Reviews, Technical Documentation

PROFESSIONAL EXPERIENCE

.NET Developer | Mumbai | May 2025 – Present

- Results-driven .NET Full-Stack Developer with proven expertise in designing, developing, and deploying secure, high-performance web applications across the Microsoft technology stack.
- Backend Development: Proficient in ASP.NET Core, ASP.NET MVC, ASP.NET Web API, C#, .NET Framework, .NET Core using Repository Pattern and Dependency Injection.
- API Development & Integration: Designed RESTful APIs and Web Services with Swagger documentation, Postman testing, and JSON handling.
- Security & Authentication: Implemented JWT Authentication, Client Key Authentication, role-based Authorization, AES, HMAC, SHA256, Middleware, and Session Management.
- Database Management: Advanced expertise in SQL Server and MySQL including Stored Procedures, data integration, ADO.NET, Entity Framework, and ensuring data integrity.

- Frontend Technologies: Worked with React.js, Next.js, React Hooks, jQuery, HTML/CSS, and Data Binding for responsive UI integration.
- DevOps & Deployment: Managed IIS deployment, IIS App Pool configuration, and version control using Git.

Software Development Intern | Mumbai | Dec 2024 – Mar 2025

- Developed C# applications following object-oriented programming principles.
- Implemented ASP.NET Model Binding for efficient API request handling.
- Configured IIS for application hosting and deployment.
- Optimized SQL queries using SQL Server Profiler.
- Collaborated in debugging, testing, and code reviews with senior developers.

EDUCATION

Bachelor of Science in Information Technology – Rizvi College, Mumbai | March 2025

High School Diploma – St Anne's High School, Mumbai | April 2020
